The Donations Department of The Charles C. Hart Seed Company was established to distribute quality seed to deserving organizations or individuals for just the cost of shipping & handling. Our main focus is on organizations helping feed underprivileged communities and educating the public on gardening from seed.

Unsold seed packets from the 2019 season are available after July 15, 2019 in sets of 100, or in a mixed bag of approximately 2,200 packets. Varieties in each set will be based on availability, but each set is guaranteed to provide you with a good mixture of seed.

If you are one of the following:

- ♦ Missionary interested in taking seed overseas
- ♦ Teacher looking for seed for a classroom project or school garden
- ♦ Cooperative extension service, community garden, or urban yard wanting to grow produce for low-income areas or food pantries

All we ask of you is to send us a brief letter to describe your project or project area. Who is receiving the seed or the produce grown from the seed? What you are planning on doing with the seed? Where you are taking the seed, or where the seed or produce will be distributed.

**Due to limited seed supply and high demand, we are no longer able to customize orders.*

We try to provide a wide array of varieties to fulfill your needs.

Payment must be received with form in order to be processed.

Please address all correspondence to the Donations Department.

Allow 2-3 weeks for processing donations.

*A limited number of Custom Order requests must be received BEFORE October 15, 2019

Orders may be picked up at 304 Main Street, Wethersfield, CT 06109 to save on shipping costs.
