Dear customers & friends,

In response to the COVID-19 (Coronavirus) pandemic, we have and will continue to monitor the situation as it evolves and will react accordingly for the health of you and all of our customers, which is priority number one.

The American Seed Trade Association (ASTA) has made sure that the Federal Government deems all agricultural businesses as essential, meaning that we will continue to make deliveries and ship out orders and refills to our dealers. If you prefer, we can send packing lists ahead of time via text or email to eliminate the need for any immediate contact. Our drivers are provided cleaning wipes and sanitizer to use regularly after each visit.

OUR WALK-IN RETAIL STORE IS NOW CLOSED UNTIL FURTHER NOTICE. We request that you call ahead so that we can pre-pick your order. We will have it staged and ready for pickup when you come and can complete the transaction at your vehicle. As always, feel free to call us at 860-529-2537 for any of your lawn & garden questions.

Thank you for your cooperation as we navigate this uncharted territory.

Best regards & stay safe,
