DONATIONS FORM

email to: donations@hartseed.com

or address mail correspondence to Hart Seed Donations Dept., 304 Main St., Wethersfield CT 06109-1826

The Donations Department of The Charles C. Hart Seed Company was established to distribute quality seed to deserving organizations or individuals for just the cost of **Shipping & Handling**. There is no cost for the seeds. Our main focus is on organizations that help feed underprivileged communities and to educate the public on gardening from seed.

Unsold seed packets from the 2020 season are available after July 15, 2020 in a **Sorted Set of 100 Packets**, or in an **Unsorted Mixed Box of approximately 2,200 Packets**. (See "A" or "B" on the right of this form)

If you are one of the following:

- Missionary interested in taking seed overseas
- Teacher looking for seed for a classroom project or school garden
- Cooperative extension service, community garden or prison yard wanting to grow produce for low-income areas or food pantries

All we ask of you is to send us a brief letter to describe your project including:

- What your organization or company objectives are
- Where you are taking the seed, or where the seed or produce grown from it will be distributed

Due to limited availability and time constraints, we are no longer able to customize orders.

We have a very low inventory of seed available for donation this season. Quantities are limited.

Payment for Shipping and Handling must be received with this form in order to be processed.

Sorry - We do not accept purchase orders. No advance orders for later shipment.

Please allow 2-3 weeks for processing donations.

Orders may be picked up at Hart Seed
