The Donations Department of The Charles C. Hart Seed Company was established to distribute quality seed to deserving organizations for just the cost of **Shipping & Handling**. There is no cost for the seeds. Our main focus is on organizations that help feed underprivileged communities and to educate the public on gardening from seed.

Unsold seed packets from the 2023 season are available in an Unsorted Mixed Bag of approximately 2,200 Packets.

If you are one of the following:
